Comhshaoil, Oidhreacht agus Rialtas Áitiúil  
Environment, Heritage and Local Government

Institute of Refrigeration Ireland

Environmental Protection Agency  
An Oidhreachtaíocht agus Oidhreachtaíocht

### Who Should Attend?

Personnel of companies which **own, operate, handle**, or are responsible for equipment containing F-Gases such as refrigeration, air conditioning, heat pump or stationary fire extinguishing equipment, business owners/ managers, facilities managers, maintenance persons, energy managers, engineers or architects.

### How will this affect my business?

- ◇ Understand the implications of the **legislation** on companies **owning** plant containing environmentally damaging fluorinated gases (F-Gases)
- ◇ Understand the legal requirements for **maintenance** and leak checking of F-Gases
- ◇ Gain the knowledge to **advise your management and staff** on their responsibilities under the F-Gas legislation
- ◇ Information on the Roll out of **Company Registration** for bodies handling F-Gases such as R.A.C. Contractors
- ◇ Take the opportunity for a **question and answer** session with major stakeholders

### Speakers

- ◇ **Department of Environment, Heritage and Local Government** is responsible for the implementation of environmental legislation in Ireland
- ◇ The **Environmental Protection Agency** is responsible for the Auditing and Policing the use of F-Gases in the State
- ◇ **F-Gas Registration** is a not-for-profit, industry body to register companies in the Refrigeration, Air Conditioning (RAC) and Fire Suppression industries

### Cost

Admission is **free**, though **pre-registration** is appreciated <http://alturl.com/zpkds>
